- **Flag and formation start at 7:30P**, but plan to come early to check your drop box folder, pick up fliers and mingle with your fellow Scouters.
- Some of the District Event Planning Committees get together before Roundtable starts. Come early and get involved!
- The District Training team normally offers Youth Protection Training and other courses that start before Roundtable.
- The Order of Arrow meet directly after the flag ceremony, so encourage or bring your unit's OA members with you to the Roundtable.
- Most of the District professionals and committee staff attend and are available for your needs.
- Some leaders have never attended Roundtable, for others, it's been awhile. Come check out what's changed. All unit leaders are invited!!
- It's a GREAT place to get the low down on what's happening in Scouting!!!
