### Bass Pro Shops supports the Boy Scouts with a fund raising months at its stores

“The Boy Scouts of America are excited to continue its partnership with Bass Pro Shops. September is designated as “Boy Scout Month” by Bass Pro Shops and is a great way to share Scouting’s story as well as a way to generate financial support for local and national Scouting programs,” said James Johnson team leader, fund development at Boy Scouts of America. “In addition, the in-store merit badge program is a helpful resource for Scouts that are interested in working on their fishing or rifle shooting badges and at the same time fosters a connection with our members and their families that the local Bass Pro Shop and its team of outdoor experts are a year-round resource ready to support them with a backyard campout or an adventure of a lifetime.”

During September, 64 Bass Pro Shops stores across the country will offer customers an opportunity to donate \$2 or \$5 to the Boy Scouts of America. A chance to win \$500, \$250 or \$100 Bass Pro Shops gift cards is available to those who complete an entry form. At the end of the promotion, 50 percent of the money collected will be donated to the National Council while the remaining 50 percent will be given to designated local councils. In addition, Bass Pro Shops will make a contribution for each donation made.

## Bass Pro Shops Contributions Request Guidelines

Bass Pro Shops believes it is important to individually address each contribution request. However, because of the literally thousands of requests that we receive Bass Pro Shops has established the following required guidelines for charitable contributions. If your request does not meet these guidelines, it will not be considered. It is the responsibility of requesting organizations to obtain a copy of and familiarize themselves with these guidelines.

1. Organizations requesting contributions must be registered with the IRS as a 501 (c) 3 non-profit (charitable) organization.
2. Organizations and individuals requesting contributions must submit request via e-mail only to arrive in our office a minimum of 120 days in advance of the deadline or event. No mailed or faxed requests will be accepted. No attachments will be opened.
3. The request should be short and concise including only information necessary for the board to make a decision without researching the organization's authenticity. Please include the name of the event or organization, the date of the event, the address, and a phone contact.
4. Requests can be e-mailed to [bpsdonations@basspro.com](mailto:bpsdonations@basspro.com). In preparing your e-mail please follow these guidelines:
  - The e-mail subject line should display "CONTRIBUTION REQUEST – and the name of your event or organization.
  - In the document please address requests to the attention of "Katie Mitchell".
  - Include the organizations 501 (c) 3 non-profit tax ID number.
  - State clearly the date of the event and/or the deadline to receive a donation. (Remember, we must have at least 120 days.)
  - Be sure to include your physical address, not a P.O. address.
  - Include the Bass Pro Shops location nearest you and the distance from that store location.
5. Upon receipt of your request, we will send you an email reply acknowledging we received your request. Unless you are elected to be contributed to, you will receive no other correspondence from us. If you are elected for contribution, we will contact you at the e-mail address or contact phone number given if necessary or ship items directly to the address provided. NO P.O. BOX.
6. The bulk of Bass Pro Shops charitable giving falls under the categories of Conservation, Youth and Novice Adult Outdoor, Education, or Military. Requests that do not support these missions are less likely to be approved.
7. Only merchandise bearing the Bass Pro Shops logo or the logo of one of our affiliated companies are eligible for donation. In some rare circumstances, donations of Bass Pro Shops gift cards or checks may be arranged. If an organization is seeking the donation or items manufactured by one of our suppliers (for example, a Coleman ice chest), the organization should submit a request to that company, not Bass Pro Shops.
8. Bass Pro Shops is involved with national contributions to:
  - Ducks Unlimited & Quail Unlimited
  - Military Organizations (AMVETS, Paralyzed Veterans of America, etc.)
  - National Wild Turkey Federation
  - Boy Scouts of America
  - Quality Deer Management Association
  - Rocky Mountain Elk Foundation
  - (see our web site for other National Partners)

For this reason, no individual contributions will be made to chapters representing these organizations. We feel by taking this approach we will be assisting people involved in those organization at many levels. If you have a local chapter and we have a store in your town, please contact the Store Manager to make them aware of your event.
