

# Welcome to the Hoffman Estates Cabela's!

The first Cabela's in Illinois, the Hoffman Estates store is located at Prairie Stone Business Park in the northwest metro area of Chicago near I-90 and Route 59. The enormous 185,000-sq.-ft. retail showroom is packed with outdoor equipment and experienced Outfitters who are ready and waiting to help you get the most out of your next adventure.

This store was built to not only surround customers with quality outdoor products, but to engage them with lifelike taxidermy, local fish swimming in the aquarium, and an indoor archery test area and boat shop (Lake Michigan, here we come!). If shopping the wide selection of outdoor equipment works up your appetite, be sure to snag a sweet treat in our Fudge Shop -- our fudge is made fresh daily! And because we love dogs, feel free to give yours some fresh air in our outdoor kennels while you shop.

## Cabela's Donation/Sponsorship Request Guidelines

Thank you for your interest in Cabela's. We are proud to be a member of so many communities throughout our great country, and we're excited for the opportunity to give back and be a contributing partner.

At Cabela's, we believe it is important to address every donation or sponsorship request that is submitted for consideration. However, due to the countless number of requests that are received on a daily basis for donations, sponsorships and advertising, Cabela's is not able to honor all of them. Because of this demand, we have streamlined the application process and accept all requests online only.

### ***Donation/Sponsorship Requests:***

*\*Please note: Only requests meeting these guidelines will be considered. It is the responsibility of the requesting organization to obtain a copy of and familiarize themselves with these guidelines.*

1. Because resources are limited, we reserve our support for people, groups, causes and events that best represent the Cabela's culture of **hunting, shooting sports, fishing, camping and outdoor recreation**. Requests that do not support these missions are less likely to be approved.
2. Organizations requesting donations must be registered with the IRS as a 501(c)3 non-profit (charitable) organization.
3. Organizations and individuals requesting donations or sponsorships must submit their request via our [online support request form](#) a minimum of 60 days in advance of the deadline or event. There are no exceptions to this timeframe. Requests submitted with less than a 60-day notice will not be considered. No mailed, faxed, emailed or phone-call requests will be accepted.
4. Once your request is received by Cabela's, you will receive an automatic email reply acknowledging that it was received and informing you of your application number. Please keep this email for future reference, should you need to contact your nearest retail location about your request. If your request is approved, your nearest retail store will contact you at the email address or phone number you provided on your request.
5. In most cases, only Cabela's branded merchandise will be eligible for **donation**, and in some rare circumstances **donations** of Cabela's gift cards. Firearms are only eligible for a discount, not a full donation.
6. Cabela's supports many national conservation and advocacy organizations through our corporate headquarters. Please see the [Cabela's Brand Partner website](#) for more information on these organizations. For this reason, no individual contributions will be made to chapters of these national organizations through the corporate headquarters. If you have a local chapter and we have a store within 150 miles of your chapter event, please fill out a request through our [online support website](#), directed to that specific retail store. If there are multiple Cabela's retail locations within 150 miles of your organization or event, please submit your application to the closest retail store. If you have any questions regarding the status of your request, please direct all phone calls to the retail store in which you have submitted your application. [Click here](#) to view a list of our current retail stores.
7. Unfortunately, at this time we are only able to offer donations or sponsor events in states with a Cabela's retail store. The Cabela's footprint is rapidly expanding, and in the future we hope to offer support in more states.

Please review the guidelines carefully and submit your request as directed. Thank you again for your interest in Cabela's.

### **Non-Profit Tax-Exception Purchases**

Please bring your Tax-Exception letter with the Tax-Except number and your purchases to the store's Customer Service counter. We will put your letter on file with your unit's information.
