If you are paid to do Scouting, you are called a Professional.

If you are not paid to do Scouting, you are called a Volunteer.

If you pay to do Scouting, you are called... .. A Scouter.

Welcome to the **MacScouter -- Scouting Resources Online** website. This site has been in continuous operation since 1994, providing resources not found elsewhere, to support all kinds of youth groups throughout the world. For the past few years, the MacScouter has been a member site of the US Scouting Service Project. It is now folded in to the overall USSSP format, along with many of the other member sites, to provide you the very best resources, so you can deliver a great program to your youth.
